

# WE'RE FUNDRAISING TO HELP KEEP FAMILIES TOGETHER

Munni and Dilip are together and excited to look forward to their future.

**HOPE  
AND  
HOMES  
FOR  
CHILDREN**

The world doesn't need orphanages. They do more harm to children than good, and shockingly 8 out of 10 children in orphanages are not orphans. They have family who love them and, with the right support, can look after them. I'm fundraising to help close orphanages and get children back into families where they belong.
